Some words from the owner

"We would like to welcome you to our comfortable and beautifully furnished penthouse apartment. It is situated overlooking the main Royal Heights resort and amenities, which includes restaurant and café bar (with WiFi Internet connection available) where evening BBQs and entertainment events are organised. The resort pool is close by. We have a south facing lounge terrace, complete with table and chairs looking out on delightful panoramic views over the Aegean Sea. You will be able to enjoy some wonderful sunsets from here most evenings. A short distance from resort is a small shopping area and a delightful café and restaurant called Sunset Café. This overlooks the sea from a high viewpoint. At sunset it is ideally situated to take in the sunset as you eat a meal or sip your drinks. There are small roads that lead down to several man made beaches with facilities for the tourist. A mono-rail or shuttle bus service can also take you down to the Artev Private Beach Club. If you love golf, then near by is the impressive Vita Park Golf Course - an 18 hole course with golf and recreational facilities. You can also enjoy the 6-hole practice course on Flamingo Country Club as well as the facilities of the other local resorts of Turquoise, Lakeside garden and Flamingo Country Club."
