Area Highlights: 5 mins from Vita Park Golf Resort, 15 mins from Milas-Bodrum Airport, 20 mins to cosmopolitan Bodrum Town. Protected Lake Habitat. Local restaurants and bars. Resort Highlights: on-site golf, tennis, sports bars, restaurants, cafes, shopping, communal pools, landscaped gardens, private clubhouse, cable car to beach, private beach complex and water sports. Regional Information: Flamingo Country Club Tuzla is located on the rim of Lake Tuzla, just twenty minutes from cosmopolitan Bodrum Town, often called the Turkish Riviera, and fifteen minutes from Milas-Bodrum International Airport with direct links to many major European airports. As befitting the most exciting holiday destination on the Bodrum peninsula, Flamingo Country Club is a completely self-contained luxury resort with a comprehensive range of facilities complete with its own private beach and beach club. Flamingo Country Club is a fabulous and unique place to spend your next holiday in Turkey. Vita Park Golf Resort: Golf is a big feature of your stay at Flamingo Country Club. Just 5 minutes drive from Flamingo Country Club is the impressive new Vita Park Golf Resort, comprising of two world class golf courses, the Milas, a par 71 golf course with a Scottish Links feel and the Arizona styled Halikarnas, a par 71 course which takes in the contours of the hills around the lakeside. Both courses are designed to test golfers making every game a challenge. Vita Park also has its own driving range, pro-shop, clubhouse and restaurant. The Milas-71 is a pay and play course open to non-members so make sure that you bring your golf clubs on your next visit. Availability: Lantana H-34 is available for rental all-year from August 2008. In Autumn (October - November) the weather is similar to an English springtime with temperatures that can achieve the high 70's although the norm is around the mid 60's. You can get some rain in the autumn especially in the run up to Christmas. January and February are the wettest months although the weather is much better than in England and in many parts of Europe and is often warm and sunny. The optimum time to visit for golf is September through May when the weather is more suitable as shade is limited due to the location. Bird watchers should head for Tuzla Lake between October and April when the majority of migrating wildfowl are visiting the lake. For more information on availability please see our booking calendar for available dates. Accommodation: Lantana H-32 apartment is a 2-bed, 2-bath 74 sq.m fully furnished luxury apartment with a large 84sq.m rooftop terrace providing superb 360 degree views of the whole of the Tuzla lake area. The apartment sleeps 4 comfortably in the two twin bedrooms (one on-suite) plus there is a comfortable 3-seater sofa bed in the living area for children and overnight guests. A second sofa has under-seat storage for bedding etc. Furnishings and Facilities: The apartment has everything you need for an enjoyable and relaxing stay. The living area has comfortable 3-seat and 2-seat sofas (the 3-seat sofa is a sofa bed), coffee table, occasional tables and a 28" TV with satellite decoder plus DVD / CD player. The furnishings are in light, neutral colours making the room feel light and spacious. Air-conditioning is provided for summer months while in the winter months, when the evenings can get chilly, warm-air heating makes the rooms warm and comfortable. keywords: rent apartment on lake tuzla, tuzla apartment rental, rent apartment on flamingo country club, rent apartment in bodrum, penthouse apartment, flamingo country club, lake tuzla
